BMW has agreed to arbitrate certain unresolved claims alleging defects in the material or workmanship in its vehicles and/or the inability to repair a vehicle so that it conforms to the written warranty. This Program Summary describes the claims that may be resolved through BBB AUTO LINE.

**AGE/MILEAGE REQUIREMENTS**

Your claim must be filed with the BBB within two years or 24,000 miles – whichever comes first – of the date your vehicle was originally delivered to a buyer or lessee.

**ELIGIBLE CONSUMERS**

Claims within the above age/mileage requirements may be filed by anyone entitled to enforce the terms of the BMW New Vehicle Limited Warranty.

**ELIGIBLE CLAIMS**

Claims must allege a defect in material or workmanship of a BMW vehicle.

**BBB AUTO LINE REMEDIES**

- You may seek repairs to your vehicle.
- You may seek reimbursement for money you paid to repair your vehicle.
- You may seek the repurchase of your vehicle.
- You may seek to have your vehicle replaced with a new vehicle.

**REPAIRS**

The arbitrator may award repairs to correct a defect in your vehicle’s material or workmanship that is covered by BMW’s written new vehicle limited warranty. The arbitrator may not order a change in your vehicle’s options or its design.

**REPURCHASE/REPLACEMENT**

Repurchase or replacement under the lemon law

If an arbitrator decides you are entitled to a repurchase or replacement under the standards of the Iowa lemon law, you will be awarded all the remedies provided under that law including reasonable attorney’s fees.
The award will not include any rebates or incentives you received or used as a downpayment or capitalized cost reduction.

The arbitrator may reduce your award by deducting for the vehicle’s use in accordance with the Iowa lemon law. The arbitrator may also reduce your award based on damage to your vehicle exceeding normal wear and tear.

**Repurchase or replacement not under the lemon law**

*Repurchase of Owned Vehicles*

If an arbitrator decides you are entitled to a repurchase for an owned vehicle but you do not meet the lemon law standards, the maximum amount that may be awarded is the actual amount you paid for the vehicle, excluding taxes, fees, finance and other charges.

*Repurchase of Leased Vehicles*

If an arbitrator decides you are entitled to a repurchase of a leased vehicle but you do not meet the lemon law standards, the lessor will receive the pay-off amount pursuant to the lease agreement, and the lessee will receive any trade-in allowance/downpayment and all base monthly payments actually paid, excluding all collateral charges (e.g., taxes, fees, and finance/lease charges).

*Replacement of a Vehicle Purchased or Leased New*

If an arbitrator decides you are entitled to a replacement but you do not meet the lemon law standards, the arbitrator may award a replacement vehicle that is new and substantially identical to your current vehicle (excluding any modifications or additions after the vehicle’s purchase or lease). The Manufacturer’s Suggested Retail Price (M.S.R.P.) of the replacement vehicle may not exceed 105% of the M.S.R.P. of your current vehicle. **Note: Replacement is not an available remedy if the current vehicle was purchased used.**

*Deduction from Award*

If a repurchase or replacement is awarded and you do not meet the lemon law standards, the arbitrator will reduce your award by deducting for the vehicle’s use in accordance with the following formula:

\[
\text{Use Payment} = \frac{\text{# miles at time of arbitration hearing}}{100,000} \times \text{purchase price}
\]

The arbitrator will also make a deduction for any damage to your vehicle exceeding normal wear and tear.

**Customer responsibilities if repurchase or replacement is awarded**

If a repurchase or replacement is awarded, you will be responsible for turning over the vehicle with a current registration and in a similar condition as it was at the time of the hearing. You will also be responsible for providing clear title to the vehicle, and signing
all documents necessary to effect transfer of the title.

- Claims alleging that an airbag failed to deploy or deployed when it should not have.
