Volvo North America has agreed to arbitrate claims covered by the Minnesota lemon law. Volvo has also agreed to arbitrate certain warranty claims not covered by the lemon law. This Program Summary describes the claims that may be resolved through BBB AUTO LINE.

LEMON LAW CLAIMS

A claim seeking relief under the Minnesota lemon law must meet all standards set out by that law. Please see the attached description of the Minnesota lemon law provisions.

If the claim meets all standards set out by the Minnesota lemon law, the arbitrator will award a refund or replacement vehicle including all remedies specifically provided by that law, excluding attorney’s fees. An arbitrator may not award any penalties or multiple damages.

Please note:

♦️ The award will be reduced for the customer’s use of the vehicle in accordance with the Minnesota lemon law.

♦️ The award will not include debt from a previous transaction.

♦️ The arbitrator may adjust the award based on damage to the vehicle exceeding normal wear and tear.

♦️ The award will not include any manufacturer rebate the customer received or used as a down-payment or capitalized cost reduction.

WARRANTY CLAIMS NOT COVERED BY THE LEMON LAW

The arbitrator may award a remedy to a claim that does not meet all standards of the Minnesota lemon law if it meets certain conditions. Please see the attached description of other warranty claims that may be resolved through BBB AUTO LINE.

Warranty claims must be received by BBB AUTO LINE within three years or 36,000 miles – whichever comes first – from the date the vehicle was first put into service.
CUSTOMER RESPONSIBILITIES

At the time of the repurchase or replacement transaction, the customer’s vehicle must be currently registered and in a similar condition as it was at the time of the hearing. The customer will also be responsible for providing clear title to the vehicle, and signing all documents necessary to effect transfer of the title, including a power of attorney for title transfer.

CLAIMS THAT MAY NOT BE ARBITRATED

The following claims are not eligible for BBB AUTO LINE:

- Claims involving salvaged, “total loss,” or branded-title vehicles.
- Claims alleging that an airbag failed to deploy or deployed when it should not have.

- Claims seeking compensation for personal injury or mental anguish.
- Claims seeking punitive damages.

- Allegations of fraud or other violations of law.
- Claims that have been resolved by a previous mediation or arbitration, court action, settlement, or agreement between you and Volvo.

The BBB will let the parties know if other restrictions apply.
WARRANTY CLAIMS NOT COVERED
BY THE LEMON LAW

Time Period for Filing Claims

Claims must be received by BBB AUTO LINE within three years or 36,000 miles – whichever comes first – from the date the vehicle was first put into service.

 Eligible Claims

Claims must be based on a defect in the vehicle’s material or workmanship that is covered by the Volvo New Vehicle Limited Warranty.

 Eligible Vehicles

- The vehicle must be owned or leased in the name of an individual or used primarily for personal, family, or household purposes; and
- The vehicle must have been imported into the United States by Volvo North America.

 Remedies for Warranty Claims

The arbitrator may award the following remedies:

- Repairs to the vehicle.
- Reimbursement for money the customer paid to repair the vehicle.
- Repurchase of the vehicle.
- Replacement of the vehicle if it was purchased or leased new.

Repairs/Reimbursement for Repairs

The arbitrator may award repairs to, or reimbursement for money paid for the repair of, defects in material or workmanship that are covered by the Volvo New Vehicle Limited Warranty. If repairs are awarded, the arbitrator may not order a change in the vehicle’s options or its design.

Repurchase or Replacement

If a repurchase or replacement is awarded in a claim that does not meet all standards of the Minnesota lemon law, the arbitrator may award up to the following remedies:

- **Owned vehicle repurchase** – The actual amount paid for the vehicle. This will not include taxes, fees, finance and other charges, debt from a previous transaction, non-manufacturer items installed by a dealer or the consumer, non-Volvo service contracts, insurance policies and other collateral charges.
Leased vehicle repurchase – To the lessor: pay-off amount pursuant to the lease. To the lessee: any trade-in allowance/down-payment and all base monthly payments actually paid, excluding all collateral charges (e.g., taxes, fees, finance/lease charges, debt from a previous transaction, non-manufacturer items installed by a dealer or the consumer, non-Volvo service contracts, and insurance policies).

Replacement of a vehicle purchased or leased new – The customer will receive a new and substantially identical vehicle (not including modifications or additions after the vehicle’s purchase/lease) from the same model year. If a replacement vehicle from the same model year is not available, the customer may receive a replacement vehicle from the next model year.

If a replacement vehicle from the same or next model year is not available, the customer may receive a replacement vehicle from subsequent model years, and the customer will pay the difference between the Manufacturer’s Suggested Retail Price (M.S.R.P.) of the replacement vehicle and the M.S.R.P. of the current vehicle.

Important: Replacement is not an available remedy if the current customer purchased or leased a used vehicle.

Deductions/Exclusions from a Repurchase or Replacement Award

- The repurchase or replacement award will be reduced for the customer's use of the vehicle using the following formula:

\[
\text{Use Deduction/ Payment} = \frac{\# \text{ miles attributable to the customer at the time of the arbitration hearing}}{100,000} \times \text{Vehicle purchase price or gross capitalized cost}
\]

- The award may be reduced based on damage to the vehicle exceeding normal wear and tear.

- The award will not include debt from a previous transaction.

- The award will not include any manufacturer rebate the customer received or used as a down-payment or capitalized cost reduction.
