Children's Food & Beverage Advertising Initiative

CFBAI Product List (February 2021)

I. Introduction

The Children's Food and Beverage Advertising Initiative Core Principles require that, in advertising primarily directed to children under age 12 ("child-directed advertising"), participants will feature only foods that meet CFBAI's Uniform Nutrition Criteria, 2nd ed. (Participants also may advertise foods that meet company-specific nutrition criteria that meet or exceed CFBAI's criteria, subject to CFBAI's review and approval.) This Product List identifies foods that participants have indicated may be the subject of child-directed advertising.
