# CFBAI Product List (February 2022)

## I. Introduction

The Children’s Food and Beverage Advertising Initiative Core Principles require that, in advertising primarily directed to children under age 12 (“child-directed advertising”), participants will feature only foods that meet CFBAI’s Uniform Nutrition Criteria, 2nd ed. (Participants also may advertise foods that meet company-specific nutrition criteria that meet or exceed CFBAI’s criteria, subject to CFBAI’s review and approval.) This Product List identifies foods that participants have indicated may be the subject of child-directed advertising.
